Starbreeze collaborate with DJ and music producer Alesso for an all-new “Alesso Heist” PAYDAY 2 DLC and original music track to be included in the upcoming album “Forever”

Starbreeze AB, one of Sweden's leading independent game developers, today announced that the 21st DLC pack for PAYDAY 2, titled “The Alesso Heist”, will be launched on Steam in May. The DLC is a collaboration with DJ and music producer Alesso and will be available for purchase at \$ 6.99 / € 6.99 on PC through Steam and other digital distribution channels. The DLC features:

- A heist designed together with Alesso, taking place during one of his concerts
- A new song written by Alesso, titled “PAYDAY” to be featured in the heist and released as part of his new album “Forever”
- Alesso making an in-game appearance as himself
- A new ranged weapon for PAYDAY 2
- Four new masks together with their respective material and patterns, designed by Alesso
- Four new melee weapons
- Four new achievements to complete

“I'm a huge gaming fan. Starbreeze asked me to do my own piece of the game and appear in the game itself and it was an immediate yes from me. PAYDAY was created with the animation and my live shows in mind, both of which feature in the game... a sort of animation sonic creation. It was a great experience for me and gaming is big for a lot of my fans so it was another great way to put my album into their world.” said Alesso

“Collaborating with Alesso brings our bank robbing game PAYDAY 2 to the music scene. Having Alesso on board for the heist as well as him making a PAYDAY track is awesome. His unique style of music fits PAYDAY 2 perfectly and the song turned out great. We love how the heist looks and we're eager to hear what all the PAYDAY 2 heisters think!” said Almir Listo, Global Brand Director, Starbreeze AB
