

**Press Release 3rd of July 2014**

**PAYDAY 2's seventh DLC pack "Gage Shotgun Pack" will launch on Steam today.**

Starbreeze AB, one of Sweden's leading game developers, today announce the seventh DLC pack for PAYDAY 2, titled "Gage Shotgun Pack", is ready and goes live today. The DLC pack is available for purchase at \$ 4.99 tonight on PC through Steam and other digital distribution channels.

"The seventh DLC pack for PAYDAY 2 is released today and finally it's all about shotguns. Three new ones with accessories are available and are ideal to use in close combat. For the first time ever players can replace their ammunition, affecting weapon functionality. As always we introduce four new masks with related materials and patterns, this time with a monkey design. We know this is a long-awaited DLC pack and look forward to our players' reactions when they get hold of this." Said Bo Andersson Klint, CEO, Starbreeze AB.
